In December 2024 we were able to help 2563 children and young people in Southampton and the surrounding area. We anticipate the need will be as high or greater this year. In addition to the items listed overleaf we can accept -

- ♦ excellent quality secondhand books (with no names written inside)
- ♦ soft toys (that are clean and in exceptional condition)
- ♦ board games and puzzles (complete and with boxes as new)

New donations can be accepted up until 10th December, but it would be really helpful to receive them by the start of December if possible. A list of various Donation Points can be found on our website.

Another easy way to donate from the comfort of your own home is to purchase from the Amazon wish lists shown on the website or you can scan the QR code overleaf. That way the item(s) will be delivered directly to us. Financial donations are always great as that allows us to purchase items that we know we will be short off (traditionally ages 10 and over). You can make a donation through CAF using the QR code on the previous page, phone 023 8077 3132 to make a card payment, or you can send a cheque payable to SCRATCH to 33 Mount Pleasant Industrial Estate, Southampton, SO14 0SP, with CC written on the reverse.
