

## CORONAVIRUS UPDATE – 24 March 2020

In these difficult times, the welfare of our staff, volunteers, donors and those we seek to service are paramount. As a result, we have had to make some difficult decisions.

Following announcements yesterday, we have had to take the decision to close our furniture project completely.

Phones will be answered between 10am and 2pm and we will still be able to provide welfare assistance for Southampton residents. Referral agents will be informed on how to refer.

Keep safe and keep well. We will back again as soon as we can.
